

Officers Meeting – Minutes

December 27, 2006 – Spirits Pub

Present:

J.J. Southers, Todd Lawrence, Jen Gibbs, Erin Holmes

Meeting opened at 8:30 p.m.

- Passed out rules and by-laws for discussion
- Tom Dudley appointed ADO representative for 2007.
- “WF” = Win from forfeit by a player who is not present. This should now be marked on the score sheet if a player does not show up and the other team benefits a win.
- 10 Commandments of Darts will be read at Captain’s meeting on January 15, 2007.
- Should we appoint someone to measure boards at bars before this season begins? No, due to time constraint, but any new bar added should be measured before an official match. Shane Partee previously volunteered for this with J.J. Southers accompanying.
- It is up to the bar owners discretion on the issue of dress code in their establishment if they host.
- Reviewed Article IX. Throwing objects will result in suspension.
- Encourage that at least one representative from each team (not necessarily the captain) be present for meetings.
- No e-fax number will be renewed for this season. New drop box will be placed on the Westside at Safari. J.J. Southers volunteered to pick-up on Thursdays.
- Only email addresses will be posted on the web for officers.
 - o Grievances and inquiries should be sent to: athensdarts@aol.com
 - o J.J. Southers: jasons0473@yahoo.com
 - o Todd Lawrence: Lawrence190@charter.net
 - o Jen Gibbs: jgibbs@oglethorpe.k12.ga.us
 - o Erin Holmes: salesreaper@aol.com

- Board Members are as listed.
 - o Jen Gibbs (Chairperson of the Board)
 - o Erin Holmes
 - o Matt Kiser
 - o Andrea Lester
 - o Amy Partee
 - o Kecia Payne
 - o Mike Sproston

- Advertising the ADA at bars at no cost through Guy Ingram. 2ft x 3ft color posters to encourage new teams. Targeting college students.
- Should we have profanity posted on the web site (team names)? Outcome is to leave the names the way they are until the issue is brought forward again.
- Should ADA pay dues for bars joining for the first season? This will be brought forward to the board for voting. Positive: helps get new bars involved; Negative: unfair to bars currently participating.
- Should we continue to pay for an ADO membership? No, because we do not hold qualifiers and do not profit from them. We are categorized as a non-profit organization.
- Should we have a banquet committee? No. Mail invites to captains to take a count of their team members and RSVP. One guest allowed for each member or captain.
- Web domain cost was discussed and will further be discussed between the webmaster and the secretary at a later date.
- Should there be a set dimension of the distance between an opposing team member and the person on the line? No. The person on the line has the ability to determine how far someone should be from them, within reason.
- Is it okay to throw all three darts at once? This will be up to the officer’s discretion if brought before them as a protest.

Meeting adjourned at 11:25 p.m.
