

To all the ADA teams who may play at the Athens Moose Lodge 767.

Hello, my name is Chad House and I throw for the team Dart Throwing Scooter Trash. Our home is the Moose Lodge of Athens and not only am I on the team, but I am also on the board of directors for the Lodge. Here at the Moose we enjoy hosting dart events and having new faces in our home. Some of the teams in the league have thrown here before and know that we have lots of rules and regulations. So far, we have had no problems with any team inside our home. Also, some of the players from other teams have ended up joining our private organization themselves. For the first timers and for some of those who may have forgotten here is a list of the basic rules we must follow inside the Moose Lodge.

1. When you enter the Lodge and are not a member you will have to sign in our guest log book under the team name you are with. We are a private organization not just any public bar, so we have to keep track of any non-members in and out of our Lodge.
2. You will be asked to wear a name tag anytime you need to go to the bar and make a drink purchase. This is so that our bartenders will know that you are a guest. You do not have to wear the tag all the time just when you go to the bar area.
3. The Moose also frowns upon the use of bad language, we know it is going to happen but lets try our best to keep it at a minimum. The Moose is a family organization and there could be kids around at anytime so be careful what you say.
4. The biggest problem we have had in the past is people going in and out of the building to the parking lots. We are a private club so you are allowed to smoke inside the Lodge. We also have good cheap drink prices, so please don't bring your own booze. If you are caught drinking alcohol, other than what has been purchased from us, you will be made to leave the Lodge immediately. So cheap drinks and being able to smoke inside means no going in and out of the building.

Once again from myself and the members of the Moose Lodge 767 we welcome you to our home and hope you can respect it and enjoy it the same way we do.

Fraternally,

Brother Chad K. House Ph.#(706) 340-5797
